MARRIED AT FIRST SIGHT NIGHTMARE

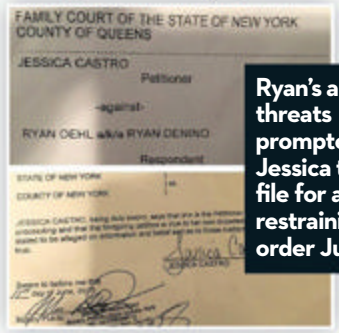

The honeymoon's over for the show's volatile newlyweds.

FROM "I DO" TO DEATH THREATS — WHAT WENT WRONG FOR REALITY SHOW COUPLE **JESSICA CASTRO** AND **RYAN DE NINO**?

As any fan of matchmaking series knows, the odds of finding true love in front of the cameras are right up there with winning the Mega Millions jackpot. Even by those standards, though, the short-lived union of **Jessica Castro**, 30, and **Ryan De Nino**, 29, has been especially disastrous.

The New Yorkers first met at the altar on season two of A&E's *Married at First Sight*, a "social experiment" that has relationship experts pair strangers who agree to wed for six weeks, at which point they reassess their future together. From the start, business owner Ryan and law-firm receptionist Jessica argued explosively over a variety of issues. Still, on the series finale they vowed to stay married. Cut to the reunion special that aired in June, on which Jessica revealed that she spent Valentine's Day without Ryan: "He told me that he was going to be busy," she said. "So I didn't see him. Not a card, nothing." When she later found a card from another woman, she suspected Ryan was cheating. The couple also traded accusations that Ryan took $100 from their wedding gifts (he said it was from his personal account) and that Jessica had called him a "degenerate gambler" (which she denied).

What couldn't be discussed, because the reunion had already been taped, was the restraining order against Ryan that Jessica filed on June 11, maintaining he's made death threats toward her and her loved ones. "I will break you into f***ing pieces... I will make your whole family disappear," Ryan allegedly told her. Said Jessica's attorney, **Marc Rapaport**, "She is very scared." A July 13 court date has been set.

Ryan's alleged threats prompted Jessica to file for a restraining order June 11.

While the show offered Jessica a security detail after she reported Ryan's threats, insiders say that background checks might have prevented the scary situation from the outset. "Casting was done so fast that the men weren't even drug- or STD-tested," claims a production source. "It's all about ratings and money, or they'd make sure no one violent got through." OK!

CAITLYN'S DIVA ANTICS

"Cait is fixated on lighting and what angle the crew shoots her from," says the source. "Things she would have cringed at before are now the norm for her."

Over the past few months, **Caitlyn Jenner** has undergone a huge physical overhaul — but it's not just her gender that has changed! An insider tells *OK*! the former Olympian also has a brand-new attitude — one that wouldn't have gone over well with the man she used to be. "For years I knew **Bruce** [**Jenner**] as a nice, humble, genuine guy, and now I know Caitlyn to be just the opposite," reveals the source. Since becoming the most talked-about member of reality TV's first family, Caitlyn has turned into a seriously sassy woman. "She's a little rude and arrogant and very short-tempered," dishes the insider. "Ironically, those are all the qualities that Caitlyn couldn't stand in her ex-wife **Kris** [**Jenner**]."

And with Caitlyn about to be thrust even further into the limelight, thanks to her docuseries, *I Am Cait* — for which she reportedly received a $5 million payday — the source fears she won't be changing for the better. "She's become difficult to work with, holding up production because she's obsessing over her face or her Twitter account." The reality star is also so protective of her nails that she reportedly had her Malibu pad renovated to ensure she doesn't break them: "The toilets flush themselves, and the light switches have larger buttons," says the source. Well, who would've thought that 23 years with the Kardashian clan *wouldn't* rub off!

A source says Jessica Simpson thinks Jessica Alba's company "is just playing on the eco-fad and won't last."

BATTLE OF THE JESSICAS

There's bad blood in the boardroom! An insider tells *OK!* that **Jessica Simpson** is not happy with the success fellow teen star turned entrepreneur **Jessica Alba** is having with The Honest Company. The *Sin City* star's eco-friendly business reached a $1 billion valuation last November, just three years after its products came to market, while it took the Weight Watchers spokeswoman's fashion empire more than a decade to reach the $1 billion mark. "Jess is superjealous," reveals the insider. "She busted her butt and paved the way for celeb businesswomen and is *still* fighting for respect, and she feels like Jessica Alba just breezed onto the scene." In fact, Jess S can't help but wonder if the actress mom of two is simply the face of a very well managed business. The source adds, "Jessica Alba's success and accolades just don't seem fair to her."

TAMRA SAVED!

Forget boozing and affairs — *The Real Housewives of Orange County* may be getting its biggest shocker yet: **Tamra Judge** is ringing in the show's 10-season milestone by getting baptized! The hotheaded blonde, whom former castmate **Gretchen Rossi** once slammed as a "lying, manipulating, conniving, narcissistic sociopath," has reportedly become an entirely different person since being saved. "Last season, Tamra picked fights with the entire cast and crew, so many think this is her last-ditch effort to remain on the show," says a source. "So far, she really seems to have changed for the better, and fans will definitely see a different side of her this season." Sounds like a real miracle!

"Some are wondering whether 'finding God' is all an act," says a source about Tamra's baptism, which was filmed for the show.

GWEN MOM FOR THE CAMERAS

"Many of the fundamentals that the children have learned come from their nannies," reveals an insider.

In front of the flashes, there's no doubt that **Gwen Stefani** looks like a seriously hands-on mom. But according to a source, the pop star's parenting isn't quite so picture perfect behind the scenes. "Of course Gwen loves her kids, but it's her babysitters who do most of the work," dishes the insider. Since Gwen and her hubby, Bush frontman **Gavin Rossdale**, are so busy with their careers, the nannies are the ones who prepare meals, set schedules and help their three boys — Kingston, 9, Zuma, 6, and Apollo, 1 — with school projects. Still, you wouldn't know it from the way Gwen jumps into mommy mode whenever the cameras are around. "She always starts holding hands or horsing around with the kids in front of the paparazzi," says the source. Though after 25 years in showbiz, can you blame Gwen for knowing a good photo op?

SANDRA'S LONDON LOVE-A-THON

"Sandy was glad to see that she's still got it," says the source.

It looks like America's sweetheart is also a hit across the pond! An insider tells *OK!* that **Sandra Bullock**'s confidence got a serious boost during her recent trip to London, where she was the toast of the town. "As soon as word got out that Sandy would be attending the *Minions* premiere, her PR team was slammed with dinner requests and event invites, many from Britain's most eligible bachelors," reveals the source. While Sandra didn't have time to take any of the offers, the insider adds that she was "very flattered." That's one way to make a woman feel fab at 50!

"Natasha seemed annoyed that she had to hold the dog," says a source.

NATASHA'S RED CARPET RUDENESS

Her portrayal of Nicky Nichols on Orange Is the New Black has made her an audience favorite, but don't count on **Natasha Lyonne** winning anybody over off camera! During an OrangeCon fan event in NYC on June 11, a spy tells *OK!*, the actress was not on good behavior. "The whole cast paused to chat except for Natasha, who just zoomed by and ignored everyone," says the witness. And when it came time to take pics for social media, Natasha even dissed Instagram's star rescue pooch, Marnie. "She looked weirded out by the dog," says the source. "She held her for 2 seconds and then threw her back at her owner." Woof!

COUPLES NEWS

Khloé's NEW LOVE

On June 10 **Khloé Kardashian** jetted out of LAX with her best friend **Malika Haqq** for what seemed (especially with a glance at her Instagram account) like a girls' getaway in Hawaii. But a source says the reality star hit the Big Island for a totally different reason: a secret rendezvous with a new fling, 25-year-old Houston Rockets shooting guard **James Harden**! "Malika was a cover," the source says. "Khloé was only there to meet up with James."

The NBA All-Star splurged on a $8,500-a-night suite at Honolulu's Halekulani Hotel for Khloé, 31, and his entourage. The group rode ATVs and dined at Nobu before partying at Addiction Nightclub (where Khloé and James left separately to avoid being photographed together). Despite some effort to keep a low profile, the source says the pair were seen kissing on the hotel grounds and that Khloé was spotted on the balcony of James' room "wearing just a towel."

So has Khloé, who had dinner with retired NBA player **Rick Fox**, 45, in May, just traded one baller for another? Not necessarily, a close insider says: "Right now, Khloé just wants fun, no-strings-attached hookups." Looks like she's in luck — James will be in his hometown of Los Angeles during the NBA off-season this summer. "They're definitely going to spend more time together," the pal adds. "He's her latest crush."

A source says James left Hawaii the day before Khloé did so their cover wouldn't be blown when they arrived back in L.A.

Déjà vu? Pals fear that soccer pro Karim is no good for RiRi.

Rihanna's BOY TROUBLE

Rihanna's got a new man, but friends are worried he's just as bad as her last one, **Chris Brown**. French soccer player **Karim Benzema**, whom RiRi has been dating for several weeks, stood trial in his home country in January 2014 for having sex with an underage prostitute. Although the charges were dropped, and a source says Rihanna, 27, trusts Karim, her pals are still leery of the 27-year-old Real Madrid star. To make matters worse, he was spotted at L.A.'s Warwick lounge on June 10 with **Karrueche Tran** — another Chris Brown ex who's Rihanna's biggest rival — just two days after he and the singer were out together in NYC. "Rihanna can't believe it — she can't get rid of this girl!" says the source. "She likes Karim, but she's made it clear she's not going down that road again." If she's smart, she'll keep things casual. Karim also has a baby mama he's quite close with, says the source, adding, "No one would be shocked if they still hook up. Rihanna should keep her eyes open."

Kate and Matt relaxed on the island of Skiathos.

Kaley FEARS RYAN'S CHEATING

Kaley Cuoco's shot down rumors of problems in her marriage, but sources insist she's suspicious of her tennis pro husband, **Ryan Sweeting**. The pair wed in December 2013 after dating just six months and a source says Kaley, 29, "is secretly worried she doesn't know him that well." The insider adds that when Ryan, 27, was apart from Kaley for weeks of training in March, "she'd flip if he didn't answer his phone." And since he's been back, "she doesn't let him out of her sight," the source says. "It drives him crazy."

"Kaley's really paranoid," a source says. "She always asks Ryan who he's with and never knows what he's doing."

Kate & Matt's COZY GETAWAY

Looks like conscious uncoupling is all the rage! **Kate Hudson** and 37-year-old Muse frontman **Matt Bellamy**, who ended their engagement last December, hit the beach in Greece on June 15, along with Kate's mom, **Goldie Hawn**. While they're not back together, the parents of **Bingham**, 3, have remained close and "are extremely committed to their son," a source says. After they split, Kate, 36, said "we're family for the rest of our lives." Could a reunion be on the distant horizon? "Definitely," says the source: "There's still a strong attraction between them."

Paris' MILLIONAIRE MATCH

Paris and Thomas visited Spain together in June.

Paris Hilton's sleazy exes are a bit of a running joke — one she's determined to change. A source says her sister **Nicky**'s upcoming nuptials to banking scion **James Rothschild** finally inspired Paris to seek a worthy beau. "She's jealous of Nicky," the source says, adding that the hotel heiress may have already found Prince Charming. On June 9, Paris, 34, was seen kissing Swiss businessman **Thomas Gross**, 39, on his yacht after they met at the Cannes Film Festival. He's worth $200 million, and the source says, "she thinks he's a catch." So far, so good, Paris!

"They stopped spending time together," the source says.

Charlize & Sean IT'S OVER!

Just months ago they called each other "the love of my life" in interviews, but now **Charlize Theron** and **Sean Penn** have ended their engagement. While it may seem a shock to outsiders, friends saw the split coming. On May 28, Sean, 54, went to see U2 alone at The Roxy in L.A. Six days later, Charlize, 39, saw the band at The Forum, also solo. "Everyone thought it was bizarre they didn't go together," a pal says, adding that the couple had been arguing in recent weeks, and Charlize "couldn't handle it, so she broke it off." Still, the pair will remain friends. "They have a deep bond," the source says. "Marriage just isn't in the cards."

KOURTNEY

Pregnant Again —and Leaving Scott!

As she prepares to welcome baby number four, **Kourtney Kardashian** kicks **Scott Disick** to the curb

At this point, there isn't anyone who'd nominate **Scott Disick** for father of the year, not even his longtime girlfriend **Kourtney Kardashian**. But that hasn't stopped the reality star from procreating with her party animal beau pretty much nonstop: Just six months after she delivered baby **Reign**, *OK*! has learned, Kourtney is pregnant yet again. And Scott's reaction is tearing their family apart.

KOURTNEY'S BIG NEWS

"She's apparently about eight weeks along," a friend reveals, "and when she told Scott, he hit the roof." That's not hard to believe, considering how upset he was when she told him about her third pregnancy: In front of a camera crew (in footage that was eventually aired on *Keeping Up with the Kardashians*), he told her, "You just keep suckering me into these kids... I can't handle this responsibility." So it's no surprise that the news that he will soon have four children under the age of 6 has sent him over the edge.

"It's like he's come completely undone," says another insider, citing Scott's recent spate of decidedly drunk-seeming public appearances (see sidebar). "The only way he knows how to handle difficult situations is by boozing. He is a mess."

Kourtney's saying "see ya" to Scott.

THE LAST STRAW

During a recent night out in New York City, the 32-year-old finally went too far. "He was completely out of control, doing cocaine and taking Quaaludes," a source reports, adding that the evening culminated with Scott going to bed with "a hot young 21-year-old girl" he'd met at a club and invited back to his hotel room.

Kourtney, 36, was home in Calabasas, Calif., as usual, caring for their three young kids. And when she found out he'd initiated yet another seedy affair, she decided she'd had enough. "She heard that Scott told [the girl] that he loved her," the friend says. "Kourtney can take a lot, but to have your man tell another woman he loves her is the ultimate betrayal. She's so devastated, she's kicking him out." The insider concurs: "She's done with

Kourtney won't let the fact that she's expecting deter her from dumping Scott.

ANOTHER HOTEL, ANOTHER GIRL

Scott's been rumored to have stepped out on Kourtney before, but this time is different... because he got busted. A source says that Scott was staying at the Trump SoHo in downtown Manhattan when he invited a comely 21-year-old brunette to his room (above). "They had sex, and Kourtney found out," the source explains.

It was the final insult for the eldest Kardashian sister, who posted an inspirational note (left) to her Instagram account at around the same time she was giving her boyfriend his walking papers.

him for good. She is not taking him back this time."

BEGINNING OF THE END

Of course, their romantic relationship has been in tatters for a while. The insider says one of the reason's Scott was so shocked about Kourtney's pregnancy is that, for years, they've been intimate only sporadically. (It's no secret that they've long slept in separate bedrooms.) "They barely have sex, and on the very rare occasions they do, she gets pregnant," the insider says. Indeed, Scott was asked in late March if they planned to have another child, and, though Kourtney was not yet expecting, he joked, "She's probably pregnant [right now] for all I know."

More seriously, he told his interviewer, "Probably not." But the previous week (while Scott was in rehab), Kourtney had told a different reporter, "I'd be down for [baby] number four," adding, "It's up to Scott this time" — a comment that suggests the couple are at least familiar with the concept of birth control. (Why don't they seem to use it? Well, Kourtney genuinely loves being a mom. That, coupled with the fact that, for her, babies are good for business, might have something to do with it.)

BETTER OFF ALONE

Scott already spends the bulk of his time on the road "working" (which, for him, translates to paid appearances at nightclubs and parties). So their breakup won't necessarily alter the family's day-to-day life as much as one might think. "Kourtney basically feels like she's raising the kids alone anyway," the insider says, "so she's prepared."

In fact, Kourtney actually expects her Scott-free life to be an improvement, even if it means making it through pregnancy, labor and the raising of a(nother) newborn on her own. "Living with him is like having a fourth child, so she actually thinks it's going to be easier from here on out," the insider explains.

Scott, for his part, doesn't seem particularly broken up about the split either — so perhaps it really is for the best. "He says he can't live with a woman who's so controlling," the insider continues, adding that Kourtney's (reasonable) disapproval of his unhealthy ways has done little to slow his descent. "The way she looks down on his lifestyle just spurs him on.

"They're polar opposites," the insider concludes, "and for the sake of her unborn child, Kourtney says she can no longer put up with him. No good can come of the toxicity their relationship brings to their lives." OK!

FAMILY FIRST

Most people stay together for their children, but Kourtney's concluded that getting away from Scott is the best thing she can do for her young brood. "She doesn't want the kids to see her letting him walk all over her," an insider says. "She thinks it sets a terrible example for them."

Kourtney wants Penelope, Mason, and little Reign (not pictured) to grow up in a happy home.

Scott's Downward Spiral

January

In mid-January, Scott racked up a $2,000 bill when he left an Aspen hotel room littered with empty booze bottles and cigarette butts. That same month, he also reportedly slept with a waitress he met in Arizona.

March

Scott checked into a Costa Rican rehab center — but left after spending just a week at the facility, raising questions about his commitment to sobriety. "I'm not done," he claimed. "I plan to go back." Mm-hmm.

June

Instead, he's been on a bender since hearing that Kourtney is pregnant. On June 6, he turned up drunk (and late) for a charity event he was hosting in Montreal. Later that week, he was spotted partying in NYC and Vegas.

JLaw & Chris SHACKING

Jen's no fool: She's started moving her stuff into Chris' $14 million Malibu mansion, a shrouded hideaway with sweeping views of the Pacific Ocean.

IS THAT YOU, JEN?

SINCE SHE SHOT TO THE TOP OF THE A-LIST — AND STARTED DATING CHRIS — JLAW HAS GONE FROM CAMERA-READY TO CAMERA-SHY

NOVEMBER 2013

Ciao, Roma! Jen was in high spirits at the Italian premiere of *The Hunger Games*.

UP!

AFTER NEARLY A YEAR OF ON-OFF DATING, **CHRIS MARTIN** AND **JENNIFER LAWRENCE** HAVE TAKEN THE NEXT STEP IN THEIR RELATIONSHIP: MOVING IN TOGETHER

They've gone out of their way to avoid being photographed together, but on-again couple **Jennifer Lawrence** and **Chris Martin** may find it hard to keep playing the separate-entrances game — especially now that they're living together!

Sources say that after weathering a breakup last fall, Jen, 24, and Chris, 38, rekindled their romance earlier this year, with a fresh resolve to take the relationship seriously.

Talk about follow-through: After a recent stay at the Coldplay frontman's Malibu pad, Jen was packing up her things when Chris "suggested she 'just leave them,' " says a source close to the couple. "That's when he asked her to move in — and she didn't hesitate to say yes."

VIVA LA VIDA! Chris and Jennifer are famous for their out-the-back-door, onto-a-private-plane getaways — like last September, when they jetted back to L.A. immediately following an iHeartRadio concert in Las Vegas. Only time will tell if domestic bliss in Malibu can hold a candle to their jet-set lifestyle!

The source adds that Jen has no immediate plans to give up her $8.2 million house in Beverly Hills, which she purchased shortly after she and Chris split last October. "She's moving clothes and a few personal items, but she'll keep all the furniture at the house she bought," says the source. "She jokes that they can have a coastal retreat and an inland hideaway."

STARTING FRESH

Last year, Jennifer was facing an especially chilly winter: She'd not only split from Chris, the hunky rock god she'd been giddily accompanying to concerts and cozy candlelit dinners for months, but also endured a personal violation when nude photos of her were leaked at the end of August. ("It is a sex crime," she famously asserted.)

But by late December, Chris and Jen were back on their surreptitious dating spree — the source says he proved to be a rock for her through difficult weeks — and by the time spring had sprung, they were openly holding hands for a stroll through New York City's Central Park and boarding a private jet for a romantic vacation.

Timing, in fact, has been everything: They'd started dating when Chris was trying to navigate his "conscious uncoupling" from **Gwyneth Paltrow** and the single parenting of **Apple**, 11, and **Moses**, 9. But ever since his divorce was finalized in April, "Jen and Chris feel as though this is the new start of their relationship," says an insider. "And with the move, Jen can finally give their love a real go."

A NEW NORMAL

Chris' failed marriage hasn't exactly been relegated to the past — as Jen is well aware. Chris and Gwyneth took the kids on a cozy Mexican spring break just weeks before they signed divorce papers, and Chris remains close with his ex — just like Jen and her former flame, **Nicholas Hoult**.

But sources say Jen is committed to integrating her life with Chris', and moving in is just the beginning. "Chris introduced Jen to the kids, and they love her," says the source. "He even got their seal of approval for her to move in. He's excited about this new chapter. For his kids to give Jennifer the thumbs-up was huge." *OK!*

SEPTEMBER 2014

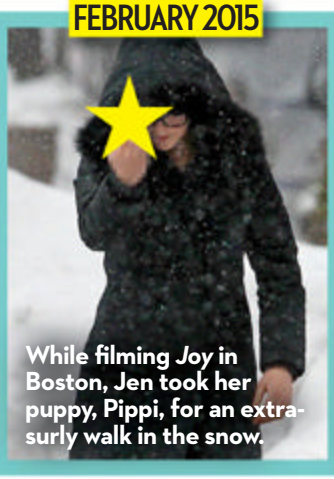

Jen left a Coldplay concert through the back door; Chris left trough the front, natch.

OCTOBER 2014

Blame jet lag? After a trip to London, Jen returned to L.A., where she put her sweater to work.

FEBRUARY 2015

While filming *Joy* in Boston, Jen took her puppy, Pippi, for an extra-surly walk in the snow.

APRIL 2015

Thank goodness for floppy hats: A faceless Jen boarded a private jet in Boston.

BACHELORETTE SCANDALS!

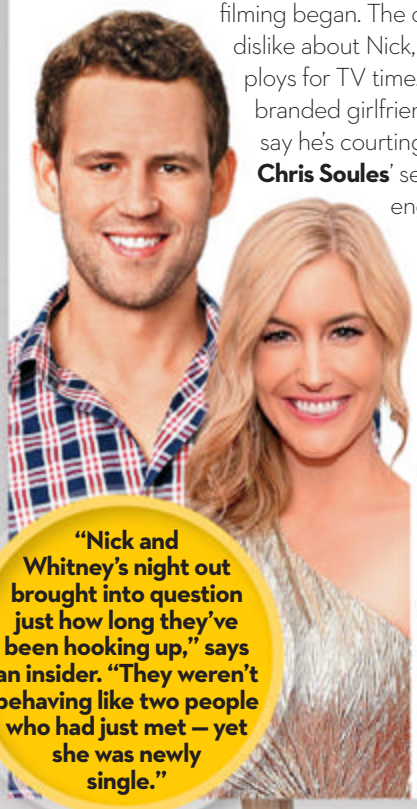

ALL IS NOT WHAT IT SEEMS ON THE BLOCKBUSTER ABC SHOW. INSIDE THE SHOCKING TWISTS AND TURNS BEHIND THE SCENES

Is this woman looking for love, a questionable crop of guys to date or an endless wardrobe of evening gowns?

NICK'S SECRET LOVE

Nick Viall apparently isn't satisfied wooing just one woman from #bachelornation — he's gunning for the triple crown! The villain from **Andi Dorfman**'s season racked up haters when he blasted Andi — who rejected him for **Josh Murray** — for "making love" to him the night before she dumped him. Then he showed up on the current season of the show to vie for **Kaitlyn Bristowe**, whom he'd started pursuing over Twitter before filming began. The other contestants found plenty to dislike about Nick, from his untrustworthy vibe to his ploys for TV time. But his most recent grab for an ABC-branded girlfriend might be the sleaziest yet: Sources say he's courting **Whitney Bischoff**, the winner from **Chris Soules**' season, just weeks after she ended her engagement to Chris! Whitney and Nick were recently seen canoodling at Fox Bar in their shared hometown of Chicago — and it didn't look like the first time. "She was stroking his leg and leaning in really close," says an eyewitness. Soon, tune in to *Nick Hearts Whitney* on ABC?

"Nick and Whitney's night out brought into question just how long they've been hooking up," says an insider. "They weren't behaving like two people who had just met — yet she was newly single."

KAITLYN'S SCANDALOUS FLIRTFEST

"They continued to hang out after the show was over," says a witness.

Since her debut as the Bachelorette, Kaitlyn's come under fire for her overt flirting and revolving door of make-out sessions. Turns out, that's not just for TV. Sources say the reality star put her lash-batting skills to good use with rocker **Joel Madden** – **Nicole Richie**'s hubby – on June 4, following the Imagine Ball at L.A.'s House of Blues. "Her eyes were glued to him during his performance," says a witness, "and afterward, he hugged her and they stood chatting for a while. They were brushing up against each other, and at one point she touched his arm. It was blatant flirting by both of them, and Joel seemed to be enjoying the attention." So when Kaitlyn insisted she's "looking for a husband," did she mean... someone else's?

BEN'S SHADY MOTIVES

"I hope he's not using Kaitlyn for fame or money, because that would disgust me," Shaelin (at left) says, adding, "I wouldn't put it past any guy to use another girl to make his ex jealous."

Ben Higgins has emerged as one of Kaitlyn's frontrunners – as well as one of the few guys carrying a true torch for Kaitlyn. But an interview with his ex-girlfriend, **Shaelin Adams** – whom he mentioned on a recent episode as the source of his most recent, most brutal heartbreak – calls his intentions majorly into question. Shaelin, who dated Ben in college before breaking up with him and moving to Texas, suggests her ex is on the rebound. "He told me he loves me a few times even after the breakup," she says. "It was hard for him to let go. Right after I broke up with him, I heard that he signed up for the show. I don't know if it was to get back at me or not, but the timing was fitting." Could sweet Ben not be "here for the right reasons?"

IGGY

ON THE ROCKS? Nick and Iggy have never been particularly private about their relationship, which began in September 2013 when the baller tweeted that he had a crush on the rapper (who obviously felt the same way). But so far, they've said nothing about Donatella.

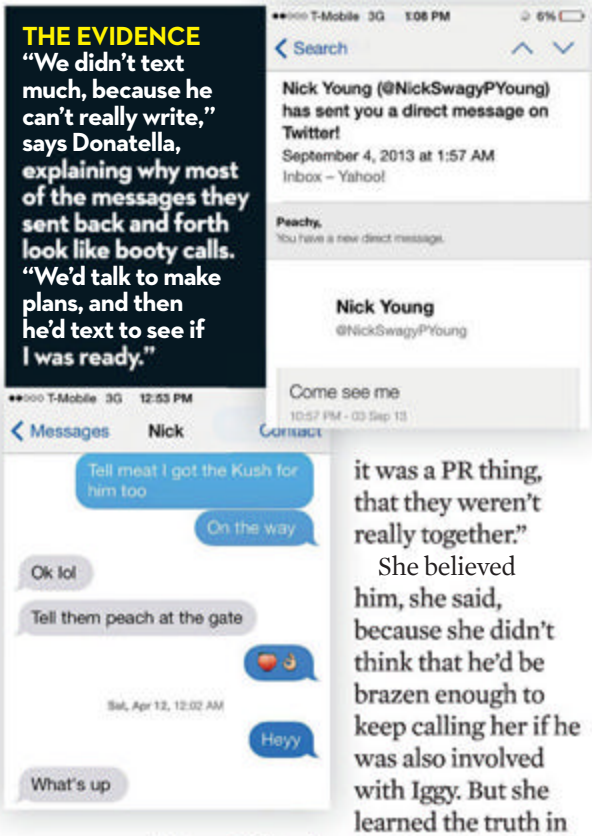

Donatella (left) took several pictures with Nick in his home.

BETRAYED!

A BRITISH TV HOST SAYS SHE HAD AN AFFAIR WITH IGGY AZALEA'S FIANCÉ, NICK YOUNG

There's no denying that **Iggy Azalea** has had a rough few weeks: Not only is "Pretty Girls," her latest single, pretty much a dud, but she canceled her (already postponed) national tour and, on June 11, admitted that she'd just "scrapped six months' worth of work" on her next album. The one bright spot through it all has been her relationship with professional basketball player **Nick Young**; he proposed to her at his 30th birthday party on June 1, and the 25-year-old Australian said she's already begun planning a "traditional" wedding.

THE EVIDENCE
"We didn't text much, because he can't really write," says Donatella, explaining why most of the messages they sent back and forth look like booty calls. "We'd talk to make plans, and then he'd text to see if I was ready."

HE TWO-TIMED HER

Now, though, a British television personality named **Donatella Panayiotou** has come forward to say she began seeing the L.A. Laker in August 2013 — just a few weeks before he started dating Iggy — and that their long-distance affair continued for the better part of a year, through the following July. "We took things slow because I was traveling back and forth between Los Angeles and England," the 31-year-old former MTV host explains; but she estimates that she and Nick were intimate at least 10 times during that period.

Back then, Donatella says, she wasn't particularly concerned about Nick's increasingly public romance with Iggy. "He told me it was a PR thing, that they weren't really together."

She believed him, she said, because she didn't think that he'd be brazen enough to keep calling her if he was also involved with Iggy. But she learned the truth in June 2014, when she "saw blonde [hair extensions] in his bathroom." And she insists even now that *she* wasn't the other woman. "I was with him first," she points out.

But she's clearly over Nick today. "I was attracted to him," Donatella says, "but we could never have a proper conversation. He's probably one of the stupidest people I've ever met. I can't even imagine their conversations. Like, what do they talk about?"

After this, one might imagine, they'll probably be talking about her. But Donatella doesn't think Iggy's going to be entirely shocked. "The day there's a multimillionaire athlete who *is* faithful, I'll be surprised," she says. "I think she's chosen this relationship and she's cool with it. They're doing the celebrity couple thing. I hope they are happy, but I don't see it lasting." No thanks to Donatella, perhaps! **OK!**

Shedding FOR THE Wedding!

SOFIA VERGARA HAS LOST 10 POUNDS FOR HER UPCOMING NUPTIALS — WITHOUT LOSING HER VA-VA-VOOM CURVES

Her sexy hourglass shape is her signature, but even **Sofia Vergara** wants to look a little trimmer when she says "I do." So the *Modern Family* star, 42, has dedicated herself to a get-fit regimen in the weeks leading up to her marriage to *Magic Mike XXL* hunk **Joe Manganiello**, 38 — and quickly lost about 10 pounds in 10 days!

"There are no cheat days anymore," says an insider. "She's eating clean and hitting the gym for at least an hour every day. She's been working really hard for it."

THE RIGHT MOTIVATION

Sofia admits to having a major sweet tooth — she once claimed to be considering hypnosis to keep from eating candy — but she generally follows a healthy eating plan full of salads, fish and vegetables. Recently, though, she's amped it up by sticking to only 1,200 calories a day. "Her portions are tiny," says the source, "and she's not wasting any of those calories on naughty treats."

What the Colombian-born bombshell finds more difficult is slogging through a workout. "For me it's punishment," she's said. But she's been doing Pilates and hitting the home treadmill religiously — with a cardboard cutout of a ripped Joe looking on. ("Who wouldn't get motivated with that guy in the back staring at u like that!" she posted on Instagram.)

WEDDING BELLE

The nuptials will be soon, Sofia has said, in a destination that's not L.A.: "I want all [my friends] from Colombia and South America and Europe to be able to make it... and Los Angeles is very far away." And while she doesn't want a bachelorette party (it's not a Latin American tradition) her girlfriends are looking out for her nonetheless: "They know she wants to look her best, but they won't let her lose her curves," says the source. "They're keeping an eye on her!" OK!

A sleeker Sofia says the big day will be "soon... [in a] very secret place."

Sofia and Joe share the look of love in this photo posted June 14, their one-year anniversary of dating.

KATIE LEE'S FISHERMAN'S PLATTER

Katie Lee cohosts *The Kitchen* on Food Network, but the celeb chef may be better known for entertaining guests at her Hamptons home. In her recently released *Endless Summer Cookbook*, Katie shares more than 100 party-tested recipes including this fried fisherman's platter. "It's surprisingly easy to prepare and a total crowd-pleaser," she says. "I serve it with coleslaw, corn on the cob and, of course, ice-cold beer." Get shuckin'!

Ingredients

- 2 lbs. mixed fresh seafood (cleaned shellfish such as shrimp, oysters and clam strips and firm, fish fillets such as cod)
- 3/4 cup fine cornmeal
- 1/2 cup all-purpose flour
- 1 tsp. baking powder
- 1 tsp. paprika
- 1/4 tsp. garlic powder
- 1/4 tsp. freshly ground black pepper
- Dash of salt
- 1 cup milk
- Tartar sauce
- Cocktail sauce
- Lemon wedges

Directions

1. Fill Dutch oven or heavy, deep saucepan with at least 3 inches of oil. Heat to 375°F over medium-high heat.

2. Cut fish into large chunks, about 2 inches long.

3. Pour milk into shallow dish. In another shallow dish, combine cornmeal, flour, baking powder, paprika, garlic powder, pepper and salt.

4. Dip seafood in milk, then dredge in cornmeal mixture, shaking off excess. (If you prefer thicker breading, repeat the process.)

5. Working in batches, carefully lower seafood into hot oil and fry, turning frequently until golden brown, about 3 minutes for fish fillets and 1 1/2 to 2 minutes for shrimp, oysters and clams. Transfer hot seafood to paper-towel-lined plate to drain.

6. Serve immediately with tartar sauce, cocktail sauce and lemon wedges.

Visit NewBeauty.com daily for expert insights on the latest beauty trends.

EYES: "Maintain youthful eyelids by using eye moisturizers with sunblock (SPF 30 and higher) and wearing sunglasses — the larger the better — to prevent UV damage." **— Dr. James R. Gordon, oculoplastic surgeon in Westchester, N.Y.**

SKIN: "Aside from the use of a broad spectrum sunblock with zinc oxide, I highly recommend Retin-A, which helps build collagen and removes the top layer of dead skin." **— Dr. Robyn Siperstein, dermatologist in Boca Raton/Boynton Beach, Fla.**

CHEEKBONES: "Sandra has big, well-defined cheekbones, and her face tapers to a slimmer but strong jawline. Long-acting fillers can help patients achieve this type of look. The key is to get the proportions right so there's a beautiful improvement that's not excessive." **— Dr. Michael S. Godin, facial plastic surgeon in Richmond**

TEETH: "I would advise against the use of toothpastes containing silica. This ingredient polishes teeth, giving short-term results while causing long-term harm because it abrades the enamel." **— Dr. Jan Linhart, cosmetic dentist in New York City**

"Sandra has a well-balanced smile; her teeth are a nice light color. If you are not happy with the shade of your teeth, then in-office whitening, Lumineers or veneers may help." **— Dr. Nargiz Schmidt, cosmetic dentist in New York City**

WELLNESS WORKOUT

STRIKE A POSE

THE BEST EXERCISES FOR A FOCUSED MIND AND A FLEXIBLE, STRONG BODY

THE EXPERT: NORA TOBIN
Nutrition specialist, editor for *Shape* and *Sports Illustrated* magazines and fitness consultant for Four Seasons Hotels

FINDING BALANCE THROUGH FITNESS

The 24/7 workweek can take a major toll on well-being. Stress leaves you feeling wiped out at the end of each day; and in the long term, it can lead to weight gain and even premature aging. However, it's possible to combat these effects with a few simple strategies. The holistic tips below will keep you feeling energized and looking youthful.

MOVES OF THE WEEK

Yoga poses to reduce stress, boost energy and improve skin

For additional health and fitness tips, follow Nora on Instagram: @NoraTobin and visit noratobin.com

WARRIOR III

STEP 1: Place all your weight on your left foot. Slightly bend your knee and hinge at the hips until your torso is almost parallel with the ground. Extend right leg straight out.

STEP 2: Engage the core to help keep yourself balanced. Extend arms up to frame the ears, turning palms to face each other and drawing shoulder blades together.

STEP 3: Hold pose for five to 10 deep breaths, keeping core engaged. Switch legs and repeat.

HIGH LUNGE

STEP 1: Stand with feet hip-width apart. Take a big step back with right foot. Deeply bend both legs until left knee is directly over left ankle. Keep torso directly above the hips and chest up.

STEP 2: Engage glutes and core, and hold for five to 10 deep breaths. Switch legs and repeat.

NUTRITION TIP

BOOST BEAUTY BENEFITS & ENERGY WITH GREEN TEA

Green tea has a high concentration of polyphenols, powerful antioxidants that help to slow down accelerated signs of aging and fight chronic disease. It also has one quarter the amount of caffeine as coffee, so it's a gentler choice when you want to stay energized throughout the day.

LAURA BELLY BUNDY

ACTRESS AND COUNTRY SINGER

OK! Q&A

It's been five years since Broadway vet **Laura Bell Bundy** burst onto the country music charts with *Achin' and Shakin'*, and now fans are finally getting her hotly anticipated follow-up. The triple threat, who's been staying busy with a mix of TV roles, talks to *OK!* about her return to music and what listeners can expect on her new LP, *Another Piece of Me*.

How is this album different from your earlier music?
Achin' and Shakin' was a little man-centric, and I feel like the new album is more me-centric. It's self-reflective and the whole record seems to flow better production-wise and just in terms of emotions.

Do you have a favorite song on the album?
That almost feels like picking your favorite baby, but I'd have to say "China and Wine." That's probably the most personal song on the record.

What was it like, transitioning from a Broadway career to country music?
When I moved to New York from Kentucky, I was actually in a country band. But when I got the lead in *Legally Blonde*, my music became more of a side project and eventually I thought, "You know, I really haven't given country a fair shot." So I started traveling to Nashville, got a record deal and moved out there for five years.

You've done a lot of TV too. Do you prefer acting or music?
My true passion is being creative, whether it's coming up with an idea for a character or a song.

***Another Piece of Me* is available for download on iTunes and in stores now.**

IRELAND'S BAFFLING BRUISES

FRIENDS FEAR FOR **IRELAND BALDWIN**'S SAFETY

All eyes were on **Ireland Baldwin** when she stepped out in Malibu on June 17 — the same day that her dad, **Alec**, and stepmom, **Hilaria**, welcomed a baby boy in NYC — with mysterious bruiselike markings on her cheeks. As the freshly rehabbed socialite has parted ways with her modeling agency, some speculated the blotches were simply an odd publicity stunt. But according to a report, Ireland was the victim of an attack two days earlier, in which she was jumped and beaten up by three men. Still, with no police report filed and zero explanation on any of her social media accounts, chances are there's more to this story!
